Call for Participation

We invite you to join us in **11th International Conference on Software Engineering and Applications (SEA 2022)**

This conference is a forum for presenting new advances and research results in the fields of Software Engineering. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. The scope of the conference covers all theoretical and practical aspects of the Software Engineering and Applications. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experience.

**Highlights of SEA 2022 include:**

- 12th International Conference on Computer Science, Engineering and Applications (CCSEA 2022)
- 10th International Conference on Data Mining & Knowledge Management Process (DKMP 2022)
- 11th International Conference on Embedded Systems and Applications (EMSA 2022)
- 11th International Conference on Cloud Computing: Services and Architecture (CLOUD 2022)
- 8th International Conference on Artificial Intelligence and Applications (AIFU 2022)
- 3rd International Conference on Natural Language Computing and AI (NLCAI 2022)
- 8th International Conference on Networks & Communication (NCOM 2022)
- 3rd International Conference on Big Data and Machine Learning (BDML 2022)
- 8th International Conference on Signal and Image Processing (SIPRO 2022)
- 3rd International Conference on Blockchain and Internet of Things (BIoT 2022)

**Registration Participants**

Non-Author / Co-Author / Simple Participants (no paper)

**250 USD (With proceedings)**
